I would like to invite all ASSIST Students and Senior Consultants to join an excursion to Oberstdorf, which is a famous village for winter sports (ski flying, cross country and Alpine skiing, walking etc.) in the German Alps, 130 km south of Ulm. In the trip I offer here, we will reach Oberstdorf by train and continue our journey by a walking tour to an excellent viewpoint where we will have our lunch break in the cafe/restaurant “Cafe Breitenstein”. You will have sufficient time to eat, watch the skiers when they pass directly at the Café, enjoy the Alpine panorama or make a snowball fight outside. Afterwards we walk downhill to the Valley of Trettach River which is a typical wild mountain river. On the way back to Oberstdorf we will pass the southern plain before we reach the town of Oberstdorf.

The weather forecast for Oberstdorf area is relatively good: sunshine and clouds in the morning and some snow showers in the afternoon.
