

# ASSIST

Active Partnership and Support  
of Senior Consultants for  
International Student

Dear students and seniors,

next Friday, February 27<sup>th</sup> we shall make a train ride to Münsingen – a small town in the middle of Schwäbische Alb. The track to Münsingen is quite beautiful and romantic passing the valley of the rivers Blau and Schmiech. It is a nice possibility to see much of the wintery landscape of Schwäbische Alb without even having to walk.

We shall meet in front of Ulm main station at 12:45 h latest. The train will start from track 7 Nord (north) at 12:55 h.

The train ride will be about one hour at a gentle speed.

In Münsingen we shall have about one hour's time to stroll through the town or – depending on the weather to walk through the landscape.

The train will go back at 15:10 h and at 16:33 h we shall be back to Ulm. Students with their semester ticket can participate at no traveling costs.

Others may share a DING-Dayticket for groups of 5 persons for 16 €.

If you are interested, I would be happy about a short mail in reply. However a last minute participation is possible too. Friends and family members are also welcome.
