Beginning of May there will be a unique opportunity for you to experience the royal Palace of Ludwigsburg with a guided tour in English and its parks and gardens **when thousands of tulips are blooming**. Therefore we would like to invite you warmly to that excursion to see how dukes and kings including their royal suite lived 300 years ago in Württemberg. The city of Ludwigsburg is close to Stuttgart and will be reached comfortably by train in around 90 minutes.

We want to form small groups of participants for this excursion according to many students' wishes in order to be able to give you as much information as requested for this interesting excursion to Germany's history. To grant this, we decided to limit the number of participants not exceeding 16 students and 4 seniors (4 groups). **Therefore he / she who will register first, will be accepted first to participate!**
