Dear students,

Erla and me, we would like to invite you to a day trip by using a car to the Zwiefalten Abbey, to the Wimsener cave, and also to the Mochental castle.

The bad thing is that we only have 5 seats in 2 cars.

Therefore please only register if you are really sure to come with us. Register latest at Wednesday Oct 15, 1PM, sending a mail [to rmiksch@t-online.de](mailto:rmiksch@t-online.de).

Please give also the information where you live, maybe it is possible to have different meeting points near your home. If you have a seat, you will be informed on Wednesday evening around 6PM latest with all necessary information.

Here is our plan:

It is planned to start on Saturday, Oct 18, at 9:30AM in Ulm.

In **Zwiefalten** we will visit the abbey for around 1 hour. For some information, please see http://en.wikipedia.org/wiki/Zwiefalten_Abbey

Then from Zwiefalten we hike to the **Wimsener cave**. It is an easy way, around 4 km. For some information, please see

http://de.wikipedia.org/wiki/Wimsener_Höhle

Near the cave we eat our lunch that you bring with you, but also a restaurant is available.

Maybe it is possible to visit the cave with a boat (only possible if there are not too many people, cost about 4 Euro). Then we hike back to Zwiefalten.

After that, we travel to the **Mochental castle** and we will visit the castle. It is a nice, big building, containing a gallery in a lot of rooms on 3 floors.

Currently we will find there 3 exhibitions from different artists and also a museum of brooms.

One of the artists is Rebecca Raue with her art: travelling towards the unknown

For some information, please see

and also an article from the Ulm newspaper,

It is planned to be back in Ulm latest at 6 PM.

With kindest regards Rüdiger Miksch, ASSIST coordinator
