

Dear foreign students of Hochschule Ulm,

you are kindly invited to a trip to Neuschwanstein on next Saturday March 3rd, a trip which is organized by ASSIST (see below!).

ASSIST is an organization of Senior citizens of Ulm who offer activities or help for foreign students of Ulm University. Students of Hochschule Ulm may take part in these events. If you like to take part in this trip you should immediately write to the organizer Walter Knauß [walter.knauss@gmx.de](mailto:walter.knauss@gmx.de) or contact him by phone. At the moment there are still some free places left.

If you want to be informed about further activities of ASSIST, you should join the mailing list. This can be done by a short e-mail to Prof. Ulrich Petri [petri@hs-ulm.de](mailto:petri@hs-ulm.de) (Prof. Petri is a retired professor of Hochschule Ulm).

You may also have a look at the homepage of ASSIST <https://assist-ulm.de/>. Since the information there is not always up to date, it is in any case advisable to join the mailing list.

Here follows the invitation mail of ASSIST

Hello students,

on Saturday next week, 11.03.17, we offer you a trip to the marvellous castle [Neuschwanstein](#) near Füssen in the Allgäu, built by Ludwig II, the most popular king of Bavaria. There we shall have a guided tour in English - and afterwards we shall stay for a while in the nice town [Füssen](#).

We meet in front of Ulm main station (Hbf, left side) latest at 8:00. The train to Kempten starts at 8:19. In Kempten we shall take a bus directly through the beautiful landscape Allgäu to Hohenschwangau. There we shall have a walk of about 40 minutes to the castle. The guided tour starts there at 12:55.

Afterwards we walk back to the bus and drive a few minutes to Füssen. There you can enjoy about two hours in that nice city. On the way back we take the train to Augsburg at 17:05 and arrive Ulm at 20:37.

For train and bus, entrance and guidance you have to pay only 15 Euro, Assist will shoulder the residual part.

Please register for this trip as soon as possible. You will also get a early confirmation. Students of master-courses will be preferred. Family and friends can take part by inquiry.

Best regards

Walter Knauß
