

Invitation to our Christmas Party 2018

Dear Students,

I would like to invite you warmly to our ASSIST Christmas party. We want to celebrate an authentic German Advent, with Glühwein, food, pastries and drinks, reading Christmas stories, singing some Christmas songs and talking about Christmas celebrations in different countries.

We would be glad - and it would be also interesting for all of us - how you celebrate Christmas or advent or any other feast at the time of winter solstice or end of the year in your country. Perhaps you have an idea to contribute some songs or stories of your typical Christmas or any other celebration. A guitar and a piano are available. We know from other, similar university events, that some students like to bring with them a local speciality from their home country. So, if you want and think you could add something exciting to eat to the party, please feel free to do so. It is just an idea.

Date: Wednesday, December 5th, 2018
Starting at 7 o' clock pm (19 Uhr)

Place: Villa Eberhardt, Heidenheimer Str. 80
